REPORT OF BOARD OF MISSIONS.

To the President and Members of the White River Conference:

We feel profoundly thankful to God for the measure of success with which He has attended our Missionary operations throughout the Church during the past year. The wonderful Conference at New Orleans in April was a revelation to other churches as well as our own. Surely the day of large things is dawning with our Church. With pleasure and gratitude we report an increase in both Foreign and Domestic Mission collections in this Conference. The Helena District, which paid in full last year, has overpaid the assessments this year.

We hear with thanksgiving and praise of the bright prospects in China, the great revivals in Japan, the responsiveness of Korea, and the progress in the lands of Romanism. The fields were never whiter, the harvest was never larger and hence the needs, opportunities and responsibilities were never greater. We must go forward. We need to advance on our knees. We need careful study of our Missionary literature and periodicals and a wider circulation of the same. Our Review of Missions is a most excellent periodical and should have a wide circulation among our laymen as well as ministers. We pastors would do well to circulate in our pastoral charges the proceedings of the New Orleans Conference, which is now published in book form and sold for the small price of \$1.

Our devoted women are still actively at work in the Foreign and Home Mission Societies, and God is graciously blessing their faithful labors.

We would again call attention to the importance of cultivating a Missionary spirit among the children of our church, through the Sunday Schools, Epworth Leagues, Junior Missionary Societies and other means.

We would again urge the importance of much faithful preaching and teaching touching the great commission and our Lord's last command.

We recommend the reappointment of W. B. Ricks as Missionary Secretary.

We think our Domestic Mission money for the past year judiciously expended, for the most part.

We recommend that those serving Missions in our Conference for another year be paid by our Treasurer at the beginning of each quarter one-fourth the amount apportioned their respective Charges on same conditions as last year.

REPORT OF BOARD OF EDUCATION.

We, your Board of Education, submit the following report:

CONNECTIONAL.

Dr. J. D. Hammonds appeared before the Board in person and made a full statement of the Connectional interest of our Educational work. While we should have our hearts wedded to our local interest we should not lose sight of the fact that our Church is distinctively connectional, and that our local and connectional interests are interdependent. The Twentieth Century movement has only begun, and the 20 per cent of the amount thus raised in our Church should be applied to our great Vanderbilt University. This institution has been doing a great work, and yet, like most of our institutions, it has been placed at great disadvantage for lack of sufficient income for the Biblical Department. We, as a Church, must afford ample facilities for the highest culture and most thorough training along all professional lines, but especially in that of giving to our young ministers the best and highest scholarship. This can only be done by giving sufficient endowment to this department. Let us also give our support to Paine Institute which has already met with great success.

HENDRIX COLLEGE.

We rejoice to learn of the splendid success of this institution. Its attendance this year is good, yet not what it ought to be. The work done is of the highest order. The curriculum passed the Board of Education of the Church without criticism. The moral and spiritual tone of the student body is good. We must stress the pressing need of all the pastors making all possible effort to raise the Educational assessments in full, which is to pay as far as possible the tuition of our Ministerial students and other beneficiaries in our own schools. Let us also stress the need of more ample facilities and endowment to give sufficient income. This cannot be with less than \$100,000. To this end let us pledge our cooperative support.

GALLOWAY COLLEGE.

We rejoice that this school, which has already enriched so many of our homes, is prospering beyond the most sanguine hopes, and we most earnestly recommend it to all Methodists in Arkansas. No college or school, state or denomination, is better prepared to help our daughters to a Christian education. We put all possible emphasis on the word "Christian." The atmosphere is the most vital thing in college life. Nothing will compare with it or take its place. In the formative period of life, in all its stages, we need the warm vitalizing atmosphere of a living Christianity. This is the atmosphere our daughters breathe at Galloway. While it helps them to the best intellectual culture, it unfolds and matures in them the truth and gentleness and

love of a queenly womanhood. Let us sustain this school, pay off its indebtedness, and erect all the buildings necessary to accommodate all who will in the future attend this school.

CORRELATION.

We heartily commend the suggestion made by Boards of the other Conferences of our state, that the time has come when a system of complete correlation of our Educational interest should be established. We therefore urge that the matter be taken up at the earliest possible date by the representatives of our educational institutions.

We heartily indorse the appointments of Dr. A. C. Millar, Dr. C. C. Godden and Rev. F. S. H. Johnston.

We recommend the election of Geo. Culberhouse as trustee of Hendrix College in the place of A. L. Malone, whose term has expired, also the election of W. B. Hays as Secretary of education of White River Conference.

REPORT OF THE COMMITTEE ON BIBLE CAUSE.

We, as a body of preachers of the word of God, recognize the appalling apathy of many of our people in regard to Bible reading. We sadly regret this fact, and we would recommend that we pray more at this point, that the Holy Ghost lead the masses of our people into a more prayerful study of the Bible. The Bible is not scarce, we have Bibles, many Bibles, and Bibles cheap, cheap enough for every family to be supplied with Bibles, a Bible for each member of each family that can read. The trouble is not for lack of the Bible, but because of its neglect. Let us give ourselves earnestly to the correction of this trouble.

REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

Your committee beg to submit the following report:

The Editorial committee of our Conference, together with their colleagues of the other Conferences, have held their annual session and in their report commend the editorial management of the Arkansas Methodist. While we are gratified at the wide circulation of the paper, we feel that its usefulness could and should be largely increased, which in every way depends upon extending yet more widely its circulation. We therefore recommend that the pastors use all diligence to place it in the homes of all our people.

The Christian Advocate scarcely needs our commendation. It ranks among the six best religious newspapers in the United States. Its value for religious uplifting, strengthening and tightening the bonds of Methodism is evident to all. There is cause for pardonable pride in the high quality and wide circulation of our Sunday School literature.

We note with regret, in the Publishing House exhibit appended hereto, that "The Epworth Era" has been published during the last fiscal year at a loss of \$6,249.

We deem the policy of multiplying special organs to be unsafe and impracticable as policy, and ought to be discouraged.

Respectfully submitted,

FRED LITTLE.

W. E. HALL,

C. B. LITTLETON,

P. B. WALLIS.

REPORT OF SUNDAY SCHOOL BOARD.

To the President and Members of the White River Conference:

DEAR BRETHREN.—Your Sunday School Board have endeavored to make a careful survey of the field, and we are glad to say that we believe there is a growing interest among all our people in this important part of our work. A communication from Dr. Atkins brings the glad tidings of net increase on all lines of Sunday School work throughout our wide-spread connection. In our own Conference we have a small net increase over last year. One of our greatest needs is the want of trained teachers; and we are glad to learn that in the wisdom of the General Board they have seen fit to put an able man in the field as superintendent of training work, and we were very much gratified to have Dr. H. M. Hamill, as such superintendent, with us at this session of the Conference, and an effort is being made to hold an institute in each Conference in the State. We regard our literature as the very best, and no Methodist school is complete without it.

CHILDREN'S DAY

Was not observed as generally as we could desire. Some of our leading appointments have made no report to your Board; some report the day observed, but make no returns to the Board of collections taken. We have received from the charges reporting to this Board, the following amounts by districts:

From the Helena district.....	\$ 40 21
“ “ Jonesboro “	64 35
“ “ Searcy “	10 44
“ “ Batesville “	22 09
“ “ Paragould “	12 26

Total.....	\$149 35
Twenty per cent to the Board.....	\$ 29 86

PAID OUT AS FOLLOWS.

	\$119 49
Ten per cent to General Sunday School Board.....	14 93
Ten per cent to Board of Education.....	14 93

There was reserved from last year the sum of \$30.00; paid out to needy schools, \$11.05; paid to H. M. Hamill, \$10.00; the balance, \$8.95 equally divided between the General Board and the Board of Education. We would urge every pastor to look well and carefully after this important part of Church work and that they see to it that none but real consecrated Christian men and women are selected for teachers in our Sunday Schools.

Furthermore, we recommend that this Conference cooperate with the other two Conferences in the State in arranging to hold teachers' institutes, and that the Board be empowered to co-operate with the others in making necessary arrangements and making a suitable programme for said meetings.

Respectfully submitted,

E. M. DAVIS, CHAIRMAN.

T. B. WILLIAMSON, SEC. AND TREAS.

REPORT OF COMMITTEE ON EPWORTH LEAGUES.

To the Bishop and Members of the White River Conference:

DEAR BRETHREN:—Your Committee on Epworth Leagues makes the following report and recommendations:

It pains us to note that there has been a loss of 13 League Chapters and 488 members during the year.

We wish to record our conviction that the Epworth League has a mission which cannot be slightly regarded by our pastors without serious consequences.

The League is a child of the Church and should not be ruthlessly cast aside because it has not given entire satisfaction on its first trial. It has proven a success in several places where it has had a thorough trial, and we believe that it should be more thoroughly tried everywhere before it is abandoned.

We believe that the first cause of this painful decrease in the number of Leagues is that the pastors have largely lost interest in the League and hence do not encourage the organization of new Leagues nor the perpetuation of old ones which they find in their charges; and we believe that this decline in interest among our pastors is largely due to the fact that we have no State or Conference organization to stimulate and encourage the League work.

Therefore we recommend (1st), that W. M. Wilson be made Conference League Secretary, and (2nd), that each Presiding Elder, in whose district there is no district League organization, be requested to appoint, as soon as possible after Conference, a district League President, who shall cooperate with the Conference League Secretary in organizing and carrying on the work of the League in our Conference.

W. M. WILSON, CHAIRMAN,

A. E. HOLLOWAY, SECRETARY.

REPORT ON TEMPERANCE.

The Methodist Church from the beginning of its history down to the present has given emphatic testimony against the fearful evil of intemperance. The "General Rules" framed by the founder of our Church, expressly prohibits the drinking of spiritous liquors, "except in cases of necessity." Our Church throughout her connection has caught the spirit of Mr. Wesley, and has through all our organs and Conference deliverances repeatedly arrayed itself in stern and relentless opposition to the vast iniquity. The only law-making body of our Church, the General Conference, has taken from time to time, advanced ground on this the greatest foe of our civilization, absolutely and unconditionally prohibiting to all our members the manufacture and sale of intoxicating liquors as a beverage under pain of expulsion from our Communion.

So far as your committee has light on the relation of our members to the liquor traffic, we can't charge any one with direct relation to the nefarious business. We have heard of none remaining in our Churches who engage either in making or selling liquor. But we are influenced to believe that some of our people are guilty of indirect connection with this most infamous traffic by renting their business houses to those who do use them for whiskey business. The conduct of such members can't be too strongly condemned. All who rent their houses to be used for the manufacture or sale of liquor are indirectly connected with the traffic, and are therefore as culpable as the man who stands behind the bar and sells whiskey to the customer, and we can never deliver the full force of our influence and duty against the traffic until we free ourselves from all who so love money that, to gain it, they will become partakers in the sin of open violation of the word of God.

Your Committee hasn't failed to note the hopeful progress of temperance throughout our whole country this year, and Arkansas has shared largely in this needed reform. We don't think this forward move has come from any one organization. It is the fruit of all Christian people bound together in bands of love for God and humanity; it's man trying to keep his brother. No doubt the American Anti-

Saloon League has been a factor in accomplishing the overthrow of the saloon in many towns and cities. The Catholic spirit with which it has entered the field has enabled the League to number people in its work from all the Churches and no Churches. The League in our State, under the superintendency of Rev. E. A. Tabor, has done effective work through the Search-Light, their official organ, in the General Assembly and helping to enforce law in many localities. No doubt the law on the statute books of our State providing for the scientific instruction of students in our public schools, touching the effect of alcohol on the physical system, has done much, where taught, to prepare the youths for temperance workers in the future. We are far from discrediting the work of the faithful preacher in his pulpit and among his flock; the Sunday School teacher before the class and the Christian parents in the home life. The Christian voter casting his ballot for God and humanity; the Legislator making law for his country; the executive and judiciary departments of our Government can and are doing much for the overthrow of rum forever. All these and many more factors enter into the working force that is prophetic of the day—may it come soon—when a brother will not put a bottle to a brother's lips.

We believe that a ceaseless, aggressive agitation against the saloon, in the home life, schools and churches, would do much to arouse public sentiment and help to perfect existing organizations and thereby bring about the goal of our hope and faith. In the name of God and for the sake of humanity we must fight this hideous monster to the death. All the spiritual and intellectual forces of God-loving men must be directed to its destruction. The saloon, as long as it remains, will prove the greatest obstruction in the path of human progress and happiness ever known. Therefore,

1. RESOLVED, That we re-affirm the declarations heretofore given by the White River Conference against the liquor traffic.

2. That we pledge ourselves to do all we can to destroy the saloon.

3. That we earnestly urge on all our pastors to enforce the Discipline in cases of incorrigible drinkers.

4. That we will do all in our power to clear the Church of those who give aid and encouragement to the traffic by renting their property for its use.

5. That we urge the importance of our preachers agitating from the pulpit the evils arising from the support rendered to the liquor traffic by our members voting for license.

REPORT ON SPIRITUAL STATE OF THE CHURCH.

DEAR BRETHREN:—We, your Committee, beg leave to report that we are glad to note a decided increase in the spiritual interest of the Church. There has been a general revival on most charges. Many souls are reported saved and many added to the Church.

The indications are that in this, the beginning of the 20th Century, our Church will make a great effort to do her part in the saving of the world from sin.

We also realize that as the Church strives to rise to its ideal, that the evil influences are aroused to force it back, and that one of the strongest of these is the non-observance and the desecration of our Christian Sabbath, and thereby many of our people, and especially our young, are decoyed from the path of duty and the places of worship. The great rush in business and greed of gain deprive many of the laboring class of people of this blessed day of rest and worship. Various Sunday observance societies have lived and died. The apparent failure to hold together and carry forward the State and County organizations indicates that a strong effort must be made to arrest this ungodly tendency, and preserve to our posterity the Holy Sabbath.

We also recognize that if we, as American citizens and Christians, are to preserve the American Sunday, we must unite all over the land and do earnest battle as God's workmen.

Therefore, we appreciate the presence of Rev. Edward Thompson, General Manager of "The Sunday League of America," and heartily endorse the said League with all its departments of work, the object of which is to educate public sentiment, assist pastors and good people generally in bringing Sunday work down to the minimum of mercy and necessity, checking the Sunday amusements, and securing as quiet and thoughtful a day as possible.

We further urge the pastors to all diligence upon said subject, and thus try to secure the attendance of larger congregations to hear and accept the gospel. Respectfully submitted,

S. L. COCHRAN, CHAIRMAN.

REPORT ON ORPHANAGE.

Whereas, the three Conferences of Arkansas in their annual session of 1898, appointed committees consisting of three persons from each Conference, to organize a movement for the establishment of a State Methodist Orphanage; and Whereas, said committees met in the City of Little Rock in the spring of 1899, adopted constitution and by-laws, elected trustees and incorporated under the name of the Arkan-

sas Methodist Orphanage; and Whereas, the said trustees made a report of their action which was endorsed by each of the Conferences; and Whereas, the said trustees, in their annual session of 1900, adopted the following resolutions, which were confirmed at Conway in 1901.

1. That the Arkansas Methodist Orphanage be located in the City of Little Rock.

2. That we elect an agent, and recommend his appointment by the Bishop at the coming Conference to take the field, endeavoring to secure funds to buy a home and maintain the same.

3. That we elect Rev. J. R. Cason financial agent.

4. That the executive committee be empowered to transact all the business of the Board in the interim of its meetings.

And, Whereas, immediate action seems now imperative and the time is propitious to go forward in this most worthy enterprise, and, Whereas, at the recent session of the Little Rock Annual Conference the enterprise was launched by the unanimous and hearty endorsement of recommendations presented by the Board of Trustees, the appointment of Rev. J. R. Cason as Superintendent of the movement, and a subscription and pledges to the amount of \$4.500. Therefore be it resolved,

1. That the White River Conference heartily approve action and recommendations of trustees contained in preamble, unite in the endorsement of the movement and extend to the Superintendent, Bro. Cason, a cordial invitation to our respective charges, and will give our hearty co-operation in the furtherance of his work.

2. That each pastor will preach at least one sermon during this Conference year touching the claims of orphan children to the support of the Church.

In Memoriam.

REV. W. B. ROE.

Rev. W. B. Roe was born in Tipton county, Tenn., and professed religion when a boy. He was fortunate in getting for his wife a daughter of the Rev. Thos. L. Boswell, D. D., of the Memphis Conference. He moved to Arkansas in 1894 and in November that year was admitted on trial in the White River Conference. He served acceptably Golden Lake, Blytheville, Boydsville and Paragould circuits, and had recently been appointed to the Lorado circuit. His designs were already layed for the year's work. He was engaged in repairing the parsonage when the bullet accidentally struck him that caused his death in Jan., 1901. It may be truthfully said "he fell at his post" and has exchanged the labors, trials and afflictions of an earthly life, for the glorious rest, and the unwithering joys of the life that is eternal. We commend the bereaved widow and fatherless children to the tender care of a loving Father in heaven.

MRS. ELLIS.

Mrs. — Ellis, wife of Rev. W. D. Ellis, was born in Tenn., professad faith in Jesus in early life, and became a devout Christian. She died peacefully, after a long and patient suffering, in Jan. 1901, aged 28 years. She was buried at Walnut Hill, Ark. We tender our sympathies to our sorrowing brother and prayerfully commend him to the love and care of our common Lord.

In Memoriam.

MRS. LOUTIE BONNER HAYES.

Mrs. Loutie Bonner Hayes, wife of Rev. W. B. Hayes, was born in Phillips county, Ark. 1865. Professed religion and joined the M. E. Church, South, under the ministry of Rev. Stonewall Anderson when about seventeen years of age; was married at Galloway College, June 1st, 1891, by Rev. S. H. Babcock.

She was taken sick at Jonesboro, Ark., during the session of the White River Conference, Nov., 1900, and died, as she had lived, confiding in her Maker, in Little Rock, Feb. 13, 1901.

Her services to the Church and devotion to her husband were most admirable. She was indeed a faithful wife, a devoted Christian and an ideal mother.

To her deeply bereaved husband and motherless child, Reuben Bonner, we tender our hearty sympathy and commend them to Him who tempers the wind to His shorn lambs.

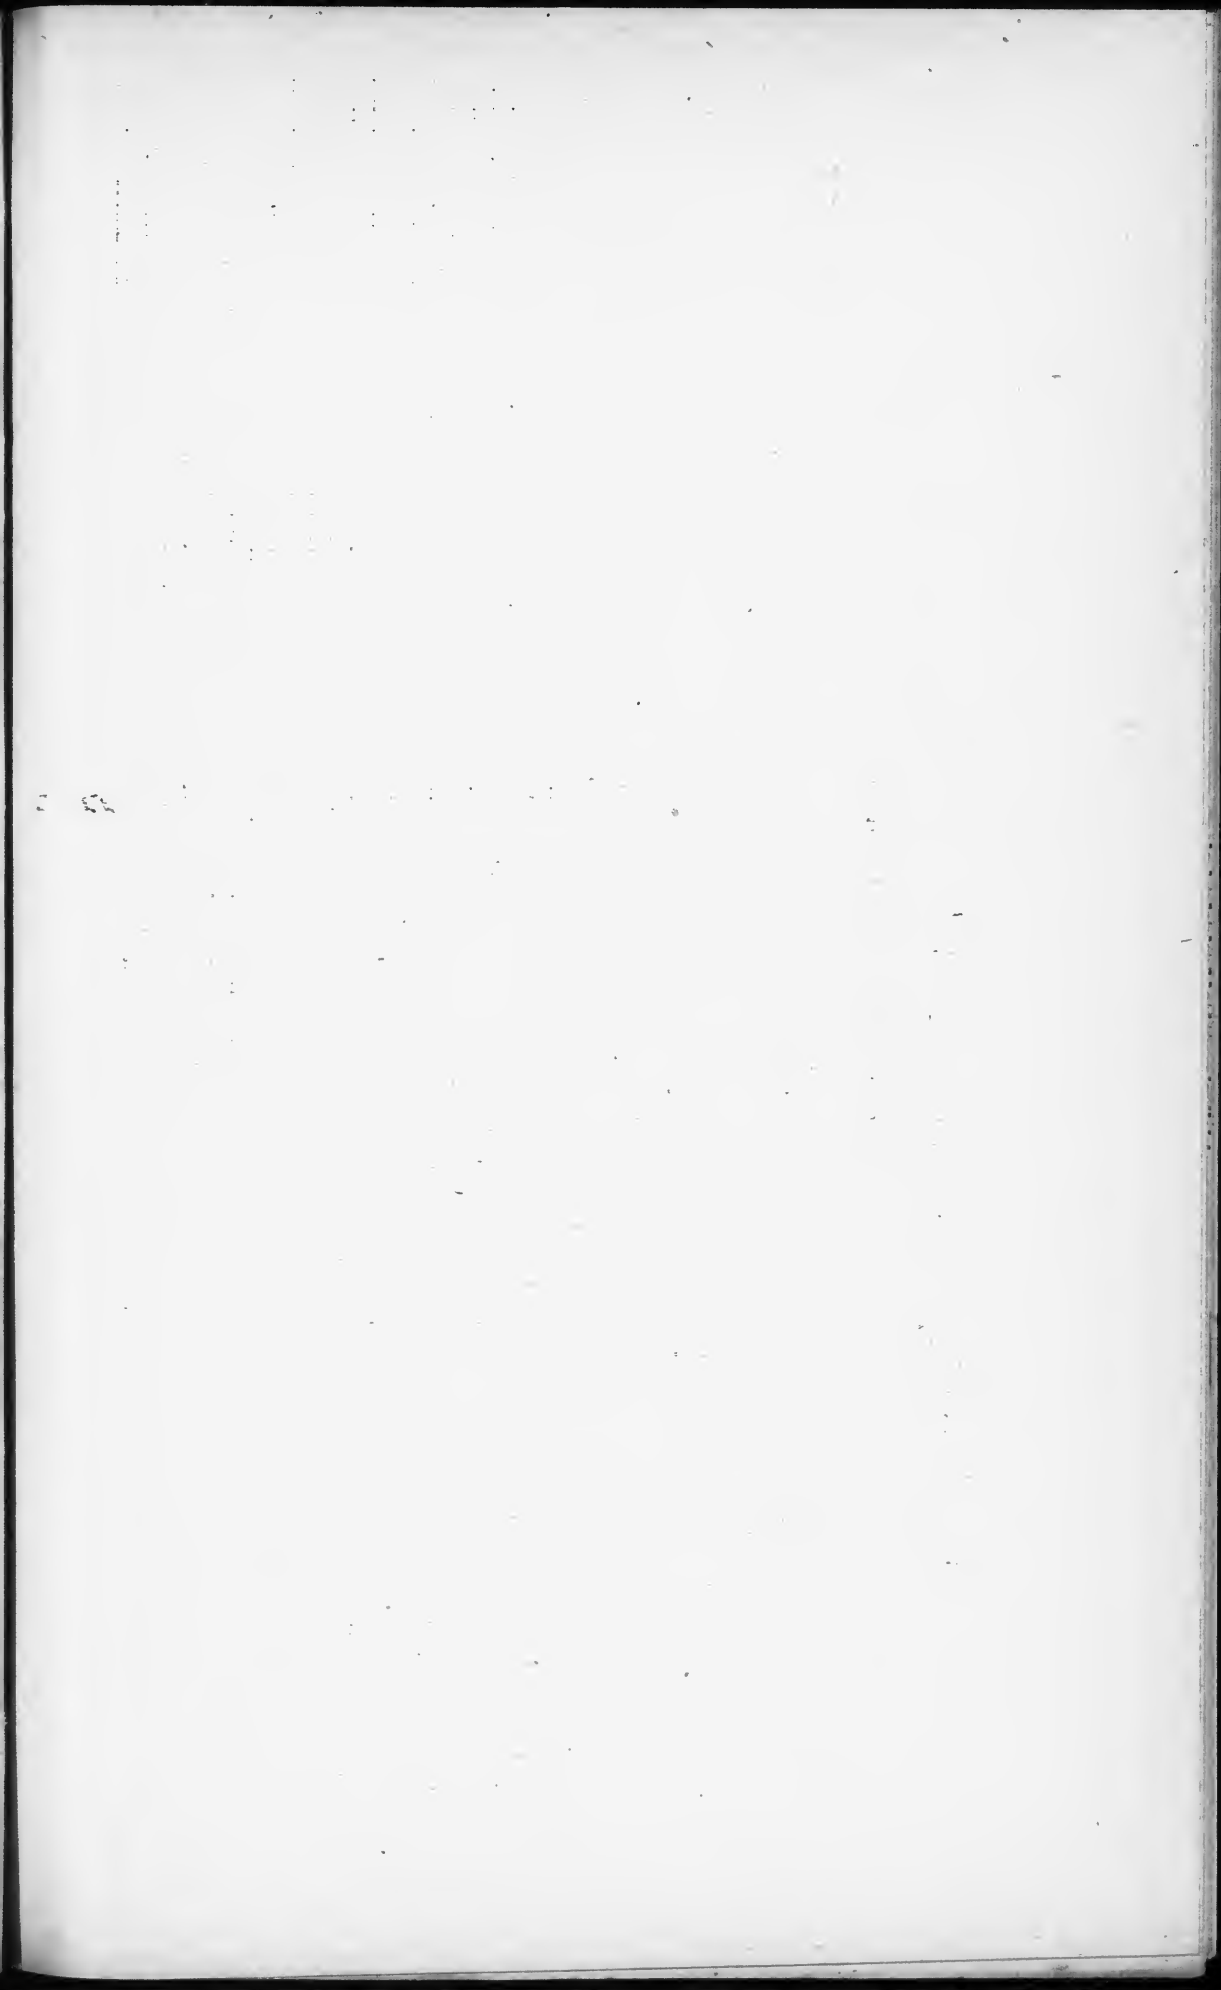

MRS. FANNIE ROSA JERNIGAN.

Mrs. Fannie Rosa, wife of Rev. Jas. F. Jernigan, and daughter of W. H. Rosa of Mountain View, Ark., was born June 21, 1874, and peacefully "fell on sleep" at the parsonage in Evening Shade at 1 o'clock p. m. August 21st, 1901. Her sufferings were long and severe, more than fifty days she was confined to her bed. She said at the beginning of her illness that she would not recover, but, with the devotion of a mother, she was anxious to live, and rallied every force at her command to get well.

She was genuinely converted under the ministry of Rev. F. M. Smith at a meeting held by him and Rev. Wm. H. H. Oyler at Mountain View, and joined the M. E. Church, South, and became at once an active worker in the Church. The Sunday School and Woman's Missionary Society were her chosen field.

She was married to Rev. J. F. Jernigan August 15th, 1895. Her consecration to the life and work of an itinerant preacher's wife was without reserve. She loved the itinerancy and was happy in being one with her husband in the work and the saving of souls. Her death was seemingly untimely, because she was so young in years and because of her much needed ministrations in her home and Church. She leaves many kindred and also many friends and a heart-broken husband and two sweet children, a boy and a girl, one five and the other three years old.

Woman's Home Mission and Woman's Foreign Missionary Societies of the White River Conference.

DEAR BRETHREN:—Through the courtesy of your secretary, Dr. Bennett, we have secured space to put our woman's work before you in your own minutes. Our Foreign Missionary receipts have grown from \$19.35 in 1880, to \$1261.60 in 1901—and our faith is planning for much larger results this year. Our Home Mission work is barely begun in the White River Conference, but already some of our preachers have more comfortable homes, and a new impetus is given to parsonage building and to the proper care for parsonages. Experience has proven that where the women and children are organized into these Missionary Societies, a deeper spirituality is developed, and the pastor finds willing and capable co-laborers. We are indebted to many of you for timely assistance in the past, and plead for your hearty co-operation in organizing new auxiliaries and strengthening the weak ones.

MRS. M. A. NEILL.

MRS. S. H. BABCOCK.

Galloway College and Conservatory of Music....

The largest Female College
in Arkansas and one of the
largest in the South or West

SEARCY, ARKANSAS.

The teachers are from the best schools in the United States and the music director and assistants are graduates of the finest Conservatories in the world, Berlin and the Royal Conservatory, in Leipsig, Germany.

Art, Elocution and Music Departments Exceptionally Fine.

Our Commercial Course is broader than that of any female college in the United States. The bath tubs are porcelain lined. Hot and cold water on every floor. New steam plant, and the boiler and machinery over 100 yards from the college—an important item in event of explosion. The girls are healthy and happy.

Bishop Keener says: "Galloway College, in the number and variety of its departments, its personnel and in all its appointments, is equal to any female college east of the Mississippi."

The many new improvements and additions are greatly enjoyed. They were much needed and demanded by the growth of the school. The Annex, Natatorium, Deer Park, Gray Granite walks and fountains are some of the improvements made.

The college is nearly full. Apply at once if you want one of the few vacancies remaining. Send for Catalogue. Address

EPWORTH PIANOS and ORGANS.

Why I am going to buy the Epworth Piano

BECAUSE it has a sweet, pure, sympathetic tone—the singing tone. I dislike a piano with a cheap, common, harsh tone, no matter how pretty the case.

BECAUSE Epworth sounding boards are made by the slow, old fashioned, German process—by hand—giving greater vibration and resonance to the tone,—and more life to it. I don't want my piano to get "tinny" or "thumpy" after awhile, like so many pianos I have seen.

BECAUSE the action of the Epworth is easy and prompt—repeats rapidly and has a delightful touch. I don't like to play on a piano that rattles or works sluggishly.

BECAUSE the Epworth has the strongest ten-year warrant I ever saw,—the Company takes all the risks of piano lasting. Most other warrants don't warrant the working parts, nor the sounding board from splitting.

BECAUSE I can buy the Epworth direct from the Company, instead of through an agent or dealer. I prefer to be my own dealer—sell it to myself and save that middle profit.

BESIDES the Company will send me a piano on trial. It must be perfect and satisfactory to me or they take it back. In this way I get to use my own judgment, and no agent around to worry me.

Above are some of the reasons Epworth pianos are growing in favor with intelligent buyers.

Our catalogue explains a number of other interesting points.

No matter what piano you are thinking of buying, it will pay you to sit down and write for the Epworth Piano catalogue—free for the asking.
